	Form No: 9-IQNET	Version 1
Owner Role:		Effective Date: 08/15/2024
	EAGLE Certification Group includes EAGLE Registrations Inc. and EAGLE Food Registrations Inc.	

A company registered by EAGLE Registrations Inc. may use the EAGLE Registrations Inc. logo and the IQNET Certification Mark if they meet the following criteria:

1. The EAGLE Registrations Inc. logo and the IQNET Certification Mark may be used on a company's literature, such as letterhead, business cards, brochures, advertising and marketing materials. The logo and IQNET Certification Mark may only be used within the scope of the company's registration.

2. The EAGLE Registrations Inc. and IQNET Certification Mark **SHALL NOT**:
   a. be used on a product or product packaging which may be reasonably concluded as indicating product approval;
   b. imply Registration of any product or service;
   c. indicate product approval;
   d. be used in connection with a quality or environmental management system not approved by EAGLE Registrations Inc.;
   e. be used in such a manner as to bring IQNET Association or EAGLE Registrations Inc. into disrepute;
   f. make any statement regarding its accreditation that either IQNET Association or EAGLE Registrations Inc. may consider inaccurate, misleading, or unauthorized;
   g. be used by applying them to laboratory test, calibration or inspection reports or certificates.

3. Statements used on product packaging may in no way imply that the product, process or service is certified. Statements used on product packaging or accompanying information shall include reference to:
   a. Identification of the certified client (brand or name);
   b. Type of management system (quality, environment or occupational health & safety) and the applicable standard;
   c. Reference to EAGLE as the Certification Body;
   d. Product packaging is considered as that which can be removed without the product disintegrating or being damaged. Accompanying information is considered as separately available or easily detachable.

4. The EAGLE Registrations Inc. logo **shall** state the appropriate standard – Registered by EAGLE Registrations Inc. (i.e. ISO 9001, ISO 14001 or ISO 45001). If the certificate is UNACCREDITED, "unaccredited" must also be referenced with the logo and standard.

5. The IQNET Certification Mark shall be used in a manner that clearly communicates the meaning of the mark in conjunction with the EAGLE Registrations Inc. logo.

6. When using the IQNET Certification Mark, it must be used in conjunction with the EAGLE Registrations Inc. logo in accordance with IQNET basic document BD 307.

7. The IQNET Certification Mark shall be the same size or smaller size than the EAGLE Registrations Inc. logo and shall be in direct proximity to the EAGLE Registrations Inc. logo.

CERTIFICATION REFERENCE

1. Client shall ensure that any references to certification include the year revision.
   - Example: "Certified to ISO 9001:2015"
2. Client shall not make or permit any misleading statement regarding its certification.
3. Client shall not use or permit the use of a certification document or any part thereof in a misleading manner.
4. Upon withdrawal of a certification, the client shall discontinue its use of all advertising matter that contains a reference to certification, as directed by EAGLE.
5. Client shall amend all advertising matter when the scope of a certification has been reduced.
6. Client shall not reference its management system certification in such a way as to imply EAGLE certifies a product or service.
7. Client shall not imply that the certification applies to activities and sites that are outside the scope of certification.
8. Client shall not use its certification in a manner that would bring EAGLE and/or the certification system into disrepute and lose public trust.
9. If the certification is unaccredited, the reference to the certification must clearly identify that it is unaccredited.

MARKETING AND WEBSITE

When marketing your organization, consideration should be made as to if your marketing aligns with your scope of certification. Some standards have very focused expectations surrounding the scope and standard, versus the context of the organization.

IQNET Certification Mark

The IQNET-recognized certification mark is owned by the IQNET Association.

Businesses by IQNET members against endorsed products and services may proudly carry the IQNET mark. As a globally-recognized brand, together with the member's original mark, the IQNET mark pushes certified organizations' business at par with international players, opening more opportunities to trade, build international presence, and sustain growth.

The IQNET-recognized certification mark shall be used in combination with the certification mark of EAGLE and may only be used by the certified organization according to the following rules:

- Always in conjunction with EAGLE-owned certification mark.
- Clearly linked to the name of the certified organization.
- Within the validity period of the EAGLE and IQNET certificate.
- Within the certified scope/area.
- Without any changes.
- Enlarging or reducing is allowed (the size can be reduced as long as all the wording is clearly readable).

The IQNET-recognized certification mark may be used on:

- Documents, signs, windows, websites, and advertising media.
  - When the certificate coverage/scope does not cover all activities of the organization and when its use may induce an error on the certified scope, a clear description of the certificate coverage/scope shall be made together with the IQNET mark.
- "Secondary packaging" (boxes, etc.) used for the transportation of products (which can reasonably be considered as not reaching the end user).

The IQNET-recognized certification mark may <u>not</u> be used on:

- Products, "primary packaging", and any "secondary packaging" which could reach the end user (e.g., a tray containing cartons of milk, a box containing multiple packs of 500 sheets photocopy paper etc.).
- Shall not be used related to any kind of management system certification when forbidden by legal requirements.
